

## Sponsor/Supporter Newsletter #1

Hi all,

Just wanted to keep everybody up to date on what is happening in my world, and what is to come.

It has been quite hectic in my life these past few weeks. From focusing on the upcoming race season, work, training and school, I have been busy! I am glad to say that as of today I am finished grade 12, and will be graduating in the spring.

I have been steady on my training program, feeling the strongest and healthiest I have. I know it will only go up from here, as I continue to stay on program good things continue to happen.

As for the upcoming race season, I have recently gotten a deal with the MXF Redline Yamaha team. With that said, I will be racing Yamaha this year, and after much consideration and feedback from many people I have made the decision to contend in the MX1 Pro class in the 2013 Monster Energy Pro Motocross Nationals.

I take off to California on February 17<sup>th</sup>. I will be down south in Temecula, CA until May 13-14. I am really looking forward to the 3 months I will get to spend down south, I will be taking full advantages of my surroundings and my peers.

More to come once I start riding and training in California,

Bye for now,

Matthew Davenport
